

Co-op promises set of latest pictures

'MANHUNT,' 'JUNGLE BOOK' SET FOR LOCAL SHOWING

"Manhunt," "Pride of the Yankees," "How Green Was My Valley," "Jungle Book" and other late releases were promised for local showing in the near future. This good news for the movie fans was released by the Cooperative movie department through Seijiro Betsuin.

Plans for the bookings of these movies had been completed earlier but due to unforeseen circumstances they had been delayed, said Betsuin, but new definite assurance has been given that we will be able to show them here starting from next month.

A hilarious comedy, "Hold That Ghost," with those two zanies, Bud Abbott and Lou Costello is on tap beginning Saturday. Also featured in the picture are the Andrews Sisters and Ted Lewis, internationally famous band leader. A cartoon comedy and a newsreel will complete the show. The schedule for the showings will be announced later.

This week's bill, "A Date with the Falcon," will be shown until Friday night. Featuring an all-star cast with George Sanders, Wendie Barrie, James Gleason, Allen Jenkins and others, it is a detective drama interposed with timely laugh provoking incidents.

The story revolves around the puzzling disappearance and seeming murder of a clever scientist who has invented a cheap method of making synthetic diamonds for use in defense industries. The "Falcon" baffles both the forces of law and order and a desperate gang of kidnappers in solving the crime.

The schedule for the "Falcon" for the rest of the week: Tonight, Blks. 24, 17, 18; Thursday, Blks. 2, 1, 8; Friday, Blks. 3, 4, 9. The first mentioned mess hall is where the movie will be shown.

More cooperation by the picture funds was requested by Seijiro Betsuin, head of the Cooperative movie department.

"Unless more cooperation is shown by the residents the movies may have to be discontinued," Betsuin said. Unwarranted crowding of the halls makes it very hazardous and may make the showing of the pictures inadvisable.

Pointing out that the new schedule of showings now in force makes it possible for everyone to see the shows in his turn, Betsuin said that such crowding was uncalled for and unnecessary as well as dangerous.

Much leeway has been given the customers, Betsuin said, but there is no excuse for overcrowding. The schedules have been drawn so that everyone gets a chance and people should wait until their turn comes. Tickets are distributed for every showing and all those without tickets should wait until the movies are shown in their blocks.

Betsuin admitted that the mess halls were very unsatisfactory but disclosed that the management was doing all in its power to find a suitable hall. A negotiation for use of one of the buildings formerly used for the camouflage net project was under consideration, he disclosed, as well as a plan to build a hall large enough for the movie project.

MANUFACTURING

Manufacturing of clothing at Warehouse 29 is progressing at full capacity with the addition of much help totaling 50 persons taxing the 60 pieces of machinery to the limit.

At the present rate, finishing of trousers this week will complete the police uniforms and the firemen will be outfitted by the end of the month.

NEWS NUGGETS

EMPLOYMENT

Although several barbers and beauticians have answered the call for workers in the barber and beauty shops, many more are needed to relieve the dire shortage, stated Arthur Miller, personnel director.

Over scores of interviews have been conducted during the past week for positions as stenographers and accountants. Those interested in securing these posts may see Miller at the Personnel Office. Miller declared that jobs in the future will also be given out for training purposes, so that when the experienced leave for job relocation, those who have been in training may replace them immediately.

SAVE PAPER BAGS

Customers are urged by George Nakatsuka, canteen manager, to save all paper bags possible. He explained that this will serve a two-fold purpose: It will enable the Co-op to save part of the expense incurred in furnishing bags which will in turn help the patrons by returning larger rebates. Nakatsuka also said that sometimes, due to the shortage of paper, it was impossible to get enough bags and if all the customers cooperated, it would help greatly.

Nakatsuka also urged all persons with soda cases and bottles to return them so that proper refunds may be made. He disclosed that close to a hundred dollars have accumulated in the fund.

NEW ENTERPRISES

New enterprises including a photograph shop, watch repair, radio repair and others are being contemplated by the Cooperative Enterprises was the information released by Sokichi Sugimoto, assistant general manager. Many calls have been made regarding these enterprises and the management is making plans and working out the details for them, he announced.

Although the complete list for the shoe repairing prices has not been figured yet, Sugimoto disclosed that it is expected to be at least 35 percent lower than prevalent outside charges. He announced that all prices on merchandise handled by the local Co-op has been materially lowered since the beginning of the year.

Peace Committee Given Approval

Approval and backing was given the Peace Committee by the 108 representatives in a meeting held Monday morning at Buddhist Church hall, 13-15.

Formed with the purpose of cooperating with the police department in keeping peace in the center the Peace Committee was officially recognized by the Block Managers' Assembly and the Administration recently. It is headed by Seiguro Murakami, judo instructor, and is composed mainly of ranking members of the judo group.

Decision as to the continuation of the Negotiating Committee in its present capacity was also made at the meeting and the formation of an advisory council was also made.

Transfer to Other Centers Possible With Revised Policy

Evacuee residents will be permitted to travel or transfer to other project centers under a recently revised policy as stated in Administrative Instruction No. 46, when their best interests or those of the WRA are served by this action.

Traveling between centers will be authorized for the purpose of (1) reuniting members of immediate family who were separated during evacuation procedure; (2) reuniting members of a broad family group if such persons were at the time of evacuation living with and dependent upon the immediate family; (3) transferring to the residence of guardians or other persons or institutions, any orphans, minors, physically handicapped or other persons not able to take adequate care of themselves; (4) transferring to other centers, professional or other skilled persons when such are required at those centers; (5) furthering the efficient operation of the WRA program; and (6) in other unusual situations requiring action for the protection of the welfare of the evacuee, a family or a group of evacuees.

In general, the WRA will pay the cost of travel as authorized in the above cases with Caucasian escorts provided.

The evacuee must bear the cost of the trip including the escort's expense for the following cases: (1) to attend the funeral of a member of the immediate family; and (2) to visit a close relative who is ill if in the opinion of the attending physician such a visit will serve the patient's best interest.

The Community Welfare division under Mrs. Margaret D'Ille will handle all requests for transfers between centers but the Project Director will give final authority to approve or disapprove such trips.

Evacuees interested in social visits to other centers should apply in writing to the Project Director. The application must state in detail the reasons for such a request and the evacuee must pay for costs all including the escort's expenses.

Typewriter Rentals Due for Distribution

Reimbursement for the use of privately owned typewriters being used for government business is expected to take place as the affected parties began filing applications on Form 590 last Tuesday morning. According to Burney O. Wilson, procurement officer, payment will probably cover dates beginning July 1st.

Questions to be filled in are: make of machine, model, number, carriage width, type (elite, italic, etc.), services began, services terminated, department in which used, name of department head, and signature.

Wilson stated that the OPA has already set a price for rentals with the majority being \$3.00, although later standard models may bring \$3.50.

Those persons affected are asked to fill in forms obtainable from Massy Kanamori at Wilson's office.

LOCAL 'R' DAY TOMORROW

It's "R" day again! All those who reached the age of 18 by July 1, 1942, must register for selective service tomorrow at the southeast end of the Administration building, formerly occupied by the Mess Division. Registration will begin at 8 a.m.

C. E. Demorest, from Local Board 134 for Inyo County will be here to register and it is mandatory that everyone be here.

All those working or in school will be given leaves for registration.

Over 350 Students Enroll in Jaysee

According to the latest figures, over 350 students have enrolled in the countless junior colleges, stated Charles Ferguson, director of Adult Education. Those still wishing to enroll may do so during this week at 1-3-2 with Frank Takahashi, registrar.

All jaysee students must take Subject A English Examinations at 7-15 this coming Saturday afternoon. Those persons whose last name begins with A to M inclusive should report for exams at 3:15 to 5:15 p.m. Students are asked to bring their own pen, ink and blotter.

It is planned to begin classes in German, drafting, business law, scientific illustrating and accounting. Interested parties should contact Takahashi.

It was announced that Library 7 will remain open from 4:15 p.m. to 10 p.m. for the jaysee students.

Scouts to Hike

All Boy Scouts who wish to go on a hike this coming Saturday, Jan. 23, please report to the recreation office at 1-3-2 and leave their names. The group will leave on the hike at 9 a.m. All boys are requested to bring their own lunches.

MUSIC APPRECIATION

Music Appreciation classes will be conducted weekly at 7-4-2, from 7 to 9 p.m.

Here's J. C. personnel

Undergoing a big rush, the junior college enrollment is going on all this week. A splendid turnout was received, it was disclosed by Charles Ferguson, director of Adult Education.

Following are the personnel of the teachers as released by Ferguson.

Dr. Genevieve W. Carter. Received her Doctor of Education degree from the University of California at Berkeley.

Master's degree in English is held by Kazuko Suzuki, a linguist. She studied at the University of California at Berkeley, University of California at Los Angeles, and at the University of Chicago. Miss Suzuki is now working for her doctor's degree in comparative literature.

Formerly active in dramatics and in music in Los Angeles, Louis Frizzell has a special sec-

Dr. Goto Called To Assist WRA Center at Delta

Responding to an urgent request by Dr. Carlyle Thompson, national chief of WRA medical and health division, to assist the medical program at Delta, Utah, Dr. James Goto, with Mrs. Goto (Dr. Masako Kusyanagi), will leave Manzanar this afternoon for the Utah center, via Salt Lake City.

Dr. Thompson in a wire to project director Merritt yesterday requested the assistance of Dr. Goto, added that a competent surgeon was to be sent to Manzanar immediately to take the place left vacant by Dr. Goto.

James Goto was the first doctor to volunteer for service in the evacuation program. He arrived at Manzanar Mar. 2, 1942, with the first three busloads of volunteers, consisting of stenographers, cooks, and medical help.

With Dr. Togasaki and two nurses he set up the first hospital in the evacuation program here at Manzanar, a temporary emergency room in 1-2. Working under extremely primitive conditions, he cared for the cuts, bruises, and ailments of the first volunteers until limited quarters would hold no more people, and then moved to a second temporary location in Block 7, where the first complete surgery room was established.

Working without trained help for the most part in the hospital, Dr. Goto recruited and trained a staff of orderlies and clerks, and built the hospital staff to near its present size, getting ready to move into the modern plant which it now occupies.

In commenting on Dr. Goto's new assignment, project director Ralph P. Merritt said: "We all wish Dr. Goto and Dr. Kusyanagi great success and happiness in their new work. They have rendered splendid services to the people of Manzanar."

Hi-Jinks

All girls' clubs interested in participating in the Hi-Jinks are asked to hand in their vote for a theme by Feb. 29.
